**PETITIONING THE COURT**

To modify the conditions of supervision as follows:

- 21 You shall participate in the home confinement program for until February 13, 2008. You shall abide by all the requirements of the program, which will include electronic monitoring or other location verification system. You shall pay all or part of the costs of the program based upon your ability to pay. You are restricted to your residence at all times except for employment, education, religious services, medical, substance abuse, or mental health treatment, attorney visits, court appearances, court-ordered obligations, or other activities as pre-approved by the supervising probation officer.

**CAUSE**

On November 24, 2007, Spokane police responded to a one-car vehicle accident. They contacted the driver of the vehicle who was identified as Robert Collier. Upon contacting, officers observed Mr. Collier's eyes were bloodshot, and the odor of intoxicants were detected coming from him. He admitted to officers that he had alcohol drinks earlier on that date. After failing a field sobriety test, Mr. Collier was taken into custody for the offense of driving under the influence of intoxicants. While at the police station waiting to submit to a blood alcohol content test, Mr. Collier urinated in the testing room. He was then transported to the county jail to be booked into custody where he fought with corrections officers. Mr. Collier later posted bond and was released. Charges remain pending in Spokane Municipal Court for driving under the influence of intoxicants.

As charges remain pending, and Mr. Collier's term of supervision is scheduled to expire on February 13, 2008, the proposed modification appears appropriate to address the noted violation conduct and would restrict Robert Collier's activities in the community.

I hereby voluntarily waive my statutory right to a hearing and to assistance of counsel. I also agree to following modification of my Conditions of Probation and Supervised Release or to the proposed extension of my term of supervision:
